Dear Jim,

Your 10/5 letter to Gay Mivet (Mrs. Edward Scammon) Utler is excellent.

With one possible exception: if you indicated those to whom you were sending copies on the original, which I do not assume.

Who, by the way, is Rev. Charles Holland: a trusted Long Beach friend?

It is also an excellent recap.

It is true that the Inter-American Press Ass'n has no more copies of JFK's speech. In fact, they have only the file copy of the entire 1963 proceedings. They have told me I can see their file copy, but I've never had time, nor have I been able to pay for a xerox, so I've not asked it. That is not the only probable major development at it.

For purposes of my own work, I am far past that point. But if you really want a copy (and the NYTimes may have printed the entire text), I'll try and find time to get it for you. I have another possible source.

My greater interest is in the AP's representation of what Sergio Varbo said then.

Thanks,
